

An Easy Guide to MUSHROOM HUNTING FOR DOGS

Helena Andersson

An easy-to-follow guide book for mushroom hunting in the forest for the whole family with a dog.

How do you get the dog to find the right mushroom without eating it up or sitting on it?

The experienced dog trainer and course leader Helena Andersson shares useful facts and tips for good co-operation between the dog and its owner. The reward will be baskets filled with mushrooms. She suggests several common edible mushrooms to practice with, where to find them and how to cook them.

The book is easy to read with plenty of illustrations. Paperback, 64 pages, 140 x 180 mm.
